## U.S Embassy Youth Council Member

June 8, 2023– Present

As a member of the Civic Engagement Department, I design and implement campaigns aimed at enhancing civic and community engagement, driving impactful initiatives that empower individuals to participate actively in their communities.

## Participant of the The Order of Psychologist Activities

October 2023– Present

As a participant of the Order of Psychologists, I contributed as a psychology student. I am also part of an informal group at the faculty's Psychology Department, where I engaged in activities, some of which were supported by the Order, fostering professional growth and collaboration.

## Activist at Qendresa Qytetare

November 18, 2022 – Present

As an activist at Qendresa Qytetare, I represent the organization in various forums and congresses across Albania and Kosovo, advocating for civic causes while actively participating in projects that drive community development and engagement.

## Board Member at the Student Congress

November, 2022 – Present

As a board member focused on organizing students for university matters, I actively advocate for student concerns, working collaboratively to identify issues and develop effective solutions that address their needs and improve their academic experience.

## GLOW Club

Girls Leading Our World Club Tropoje

August 2019 – Present

**Vice-President (September 2022 – Present):** Demonstrated leadership by managing team dynamics, resolving conflicts, overseeing budgets, developing programs, and facilitating communication with external organizations to advance the club's mission.

**Treasurer (August 2019 – September 2021):** Maintained accurate financial records, managed budgeting and fund allocation, ensured transparency in transactions, and supported effective financial planning to sustain organizational initiatives.

## Summer Camp co-manager

Summer Camp 2021 – Present | Bajram Curri

Instructor at a summer camp catering to 100 students aged 13 to 18 from rural villages. Led engaging and educational activities, fostering personal growth and teamwork. Created a dynamic and inclusive environment that promoted learning and social interaction.

## Youth Delegate – British Council Albania

February 16–22, 2025

Participated in a study visit in Scotland and Northern Ireland, representing Qendresa Qytetare. Engaged in discussions with policymakers, NGOs, and youth councils on youth empowerment, community engagement, and policy development. Visited institutions like the Scottish Parliament, British Council Northern Ireland, and Young Scot to explore best practices in youth participation, climate action, and restorative justice. Strengthened leadership skills, expanded networks, and contributed to shaping future youth initiatives.

## EXPERIENCE

### **Group Coordinator – Creative Activism Academy**

December 22, 2024

Coordinated the Tropoja group in organizing "The Wish Tree for Books", a creative action advocating for essential books in the city library. Led efforts to raise awareness about the importance of reading and access to knowledge for a brighter future.

### **Referee and Presenter – International Student Conferences**

December 2024

Peer reviewer at the University of Tirana Conference "Scientific Research and Education from the Perspective of Students and Young Researchers." Presented studies on "Student anxiety during exams" and "The impact of social media challenges on adolescents".

April 2024

Refereed at the Logos College Conference "The Challenges of Social and Psychological Sciences" and presented research on the psycho-neuroimmunological effects of music in late adulthood.

### **Participant at "Best of Best", The Local Government**

### **Needs Youth with Friedrich - Ebert - Stiftung Tirana**

December 14 – 17, 2023

As one of Albania's youth representatives, I was chosen to advocate for increased youth participation in the decision-making process. My goal was to promote active engagement, ensuring that young voices are heard and considered in shaping policies and initiatives.

### **Representative of the Peace Corps Campaign**

### **"Youth Against Covid"**

June 2022- September 2022

As the sole youth representative chosen from Albania, I was selected based on a video I prepared, showcasing my commitment and vision. This opportunity allowed me to represent Albanian youth on a broader platform, voicing their perspectives and advocating for their interests.

### **Teacher Assistant for U.S Embassy funded project**

November 2021 – April 2022

As a Teacher Assistant in the LEAT English program, I motivated participants to enhance English skills and deepen understanding of American culture, traditions, and history.
